POSITIVELY IMPACTING YOUTH

Are you looking for a fun-filled summer working with kids in the community? Are you a kid at heart that wants to impact our youth for the future? The Y positively impacts lives all over the country, giving you tremendous opportunities to make a difference. Whatever your talent or interest, you can realize your leadership potential at the Y.

At the Y, through our summer camp program, we deliver youth experience that intentionally fosters the key drivers of impact for youth development:

ACHIEVEMENT We provide thoughtful program activities to help youth gain new knowledge, skills, and abilities; build confidence; and discover who they are.

RELATIONSHIPS We facilitate relationships with and among youth, creating space for them to make new friends and develop strong relationships with staff.

BELONGING We provide a safe and inclusive environment, so that every youth feels welcome and finds a place to belong.

The Brooks Family YMCA is looking for full-time, seasonal staff members to help make this the best summer ever!

We provide paid training for summer camp counselors. Staff training runs June 3rd-7th and staff must be present for all training. Summer camp positions run June 10th-August 20th.

Shifts are Monday-Friday as follows:

7am-4pm
