BROOKS FAMILY YMCA STAY & PLAY POLICIES

Welcome to Stay & Play at the Brooks Family YMCA! We are excited for you to be part of our family. We are confident that your child will enjoy their time in our care while you work out, take a class, or just enjoy a cup of coffee. We have listed information below about Stay & Play.

- All of our Stay & Play Attendants are CPR, AED, and first aid certified. They also complete child abuse prevention training prior to working their first shift.
- Stay & Play is a member benefit of a family membership at the Brooks Family YMCA. Children ages 6 weeks to 10 years of age may use the Stay & Play for up to a total of 2 hours per day per child. Parents/guardians are required to stay on site at the Brooks Family YMCA while their children are checked into Stay & Play.
- Due to the prevalence of food allergies, Stay & Play has a no food policy. Water bottles and water in sippy cups are acceptable, as well as bottles for infants (breast milk or formula). Bottles and sippy cups should have the child's name on it.
- Parents/guardians must supply their own diapers/wipes for children that will possibly need a diaper change while they are in Stay & Play. Stay & Play Attendants are not authorized to apply diaper cream, but can change diapers for infants and toddlers if necessary using the parent/guardian supplied diapering items. Diaper bags, diapers, and wipes should be clearly labelled with the child's name.
- Parents/guardians must sign in their children at the Stay & Play and leave their cell phone number and area they will be working out in so Stay & Play Attendants can contact them if necessary.
- We understand that most children will require a few visits to Stay & Play before they feel completely comfortable with their parent/guardian leaving them. If a child fusses for more than 10 minutes in Stay & Play, staff will contact the parent/guardian and ask them to check their child out of Stay & Play.
- Children with fever, runny nose, lice, cough, diarrhea, vomiting or any other contagious illness within the last 24 hours are not allowed in Stay & Play.

Stay & Play Hours:

Monday-Friday 8am-2pm; 4-8pm

Saturday 8am-2pm

Sunday 12:30-4:30pm
