The YMCA Virtual Learning Center is a place where your K–5 students can go to participate in their online school classes. The program is offered Monday – Friday 7:30 a.m. – 5:30 p.m. The center is staffed by certified teachers, lead teachers and assistant teachers who are trained to assist your child with their remote learning and schoolwork. Our spaces are designed to comply with state and local guidelines for safety and social distancing. Small classes of 10–12 students will be grouped in quiet rooms for study and remote learning time. When online school/ remote learning is completed, students will have time for homework or structured, age-appropriate enrichment and recreation activities.

Wi-Fi is provided to support video chats, streaming media, and other online school demands. Each student should bring a remote learning device (school-issued Chromebook/laptop), headphones, appropriate school supplies, mask (required for both children and adults), lunch, two snacks, and a water bottle. To the best of your ability, please make sure your student knows how to log in to their school's website and learning platforms and how to operate their devices and software.
