PIEDMONT FAMILY YMCA CHILD CARE CENTER

Summer is coming to an end and the school year is off to a great start! We are excited to have so many new faces here at the Early Learning Center. Each class has dived into the STREAMin3 Curriculum - so stay on the lookout for pictures in the app of your child each day participating in the activities!

As Summer says its goodbyes and Fall rolls in with the cooler weather, please remember to bring season/weather appropriate clothes for your child.

This month we are celebrating our Community Helpers by having the local police and fire department visit our center as well as making crafts for our local hospitals and doctors' offices!

Infant 1

We would like to welcome our new friends Rivka, Cora, and Rosalind to our class! This month we will sing many songs and read a ton of books. We will also be working on meeting our developmental milestones, such as sitting up, tummy time, crawling, and pulling up into a standing position. We are going to miss all of our friends who have moved over to the Toddler classroom!

Infant 2

Welcome back to all of our returning students and a big hello and welcome to our new ones! Summer is a happy memory and the new school year has begun. It has been so exciting getting to know our new children and continuing to build our relationships with each other. We also welcomed Ms. Brittney into our wonderful class! Please remember to send in diapers, wipes, food/formula/breast milk, and extra clothes. We are excited to see the new adventures and achievements our class will experience and accomplish.

Toddler

Summer has come to an end and the new school year has begun! Lots of new books and fun activities and crafts ahead. We will be starting Fall off by learning the colors brown, yellow, red and orange in sign language. We will work on learning where our toys go and all of our new friends names. The Toddler teachers are so excited for this new school year!

Twos

The Twos are excited to get to know our new friends! As the month goes on remember to make sure we have extra change of clothes for your child.

Threes

Welcome to the 3s Room! We are excited to begin another year of learning, growing, and connecting. This year will be filled with lots of fun activities from our updated curriculum, as well as other exciting lessons and events. Thank you for joining us on this journey. We look forward to a great year with you and your little ones!

Pre-K

September is finally here and Fall is coming. Pre-K is looking forward to the leaves changing colors! For the month of September we will be working on letters A-D and colors red, yellow and green. We look forward to a great year of learning and having fun!
