PIEDMONT FAMILY YMCA Early Learning Center 2022-2023

STUDENT ENROLLMENT FORM

The Piedmont Family YMCA Early Learning Center is licensed by the State of Virginia and is committed to providing a safe and healthy environment for the growth and development of your child. Our program is designed to meet language, social-emotional, physical and cognitive milestones and to promote a genuine love for learning. We want to make your child's first educational experience a memorable one.

Begin at the Y

Y's across the country offer quality full-day early learning for infants through preschoolers, enabling parents and family members to go to work knowing their children are in safe, stimulating environments. Children are like sponges - they watch and absorb knowledge, skills and values from everything and everyone around them. At the Y, we believe the values and skills learned early on are vital building blocks for quality of life and future success. Our center is staffed with people who understand the cognitive, physical and social development of kids, the need children have to feel connected and supported in trying new things, and the caring and reinforcement parents and families need to help each other. At the Y, babies develop trust and security, toddlers develop greater independence and preschoolers experience early literacy and learn about their world. Most importantly, children learn how to be their best selves. That makes for confident kids today and contributing and engaged adults tomorrow.
