

# June 2023

## PIEDMONT FAMILY YMCA CHILD CARE CENTER

We are so excited for the first day of **summer** this month and for hopefully consistent nice hot weather! This month we will be celebrating our fathers and father figures by having a **Fathers Day BBQ** on June 16. We will have it on our front lawn and would love for the dads to join us!

This month we are also kicking off our summer with a day of fun on **June 23!** There will be **special surprises**, water games and activities, as well as treats and more! We will also be celebrating Juneteenth with fun classroom activities.

During the month of June, **PreK** will be having **several field trips** starting on June 15. We are so excited for an entire month of fun here at the **Early Learning Center!**

### IMPORTANT REMINDERS:

- \* Continue to stay diligent and aware of COVID and any other sickness symptoms. We ask that if your child is showing symptoms that they do not return to the center until they have been 48 hours symptom free.
- \* Morning drop off/cut off time is at 9:00 AM.

### IMPORTANT DATES:

**June 16 :**  
Father's Day BBQ 11-12:30

**Closed for Juneteenth**

**June 23:**  
Summer Kick Off

### Infant 1

We hope everyone had a great Memorial Day weekend! We will be working on summer fun this month. If possible, please bring in some family vacation pictures to put on our vacation wall. We will explore bubble blowing, sensory activities and our developmental milestones.

### Infant 2

Summer is finally here! We are excited for warm weather - remember to bring cooler clothes for your child. We will be starting water play soon so please bring a bathing suit.

### Toddler

Time is flying, we are in June already! Every Friday we will be having a small water play activity if the weather is appropriate, so please bring extra clothes.

### Twos

Welcome summer! We are so excited for the warm weather and outdoor activities! This month we will be doing science activities and lots of outside and water play. If you have sunscreen or bug spray that you would like us to apply to your child, please fill out a form in the lobby.

### Threes

We can't believe it is already June! Where did the time go? This month we will be finishing out the insect life cycle. Our themes for each week are dinosaurs, magnets, chemical reactions, and small world. We will also be practicing boundaries, personal space, and autonomy.

### Pre-K

It's summer, summer, summer time!! Now is the time for sunscreen to be used - please send in a form if you have not already. We will be doing water play and a couple of field trips throughout the summer, so be on the lookout for activity dates. Thank you for letting us love and teach your child. Congrats to all the graduates!
