PARENT STATEMENT OF UNDERSTANDING

The following information is important for the safety and protection of your child. Please read the information, sign this form and return it along with the rest of this registration packet to the Piedmont Family YMCA – Attn: Brooks Summer Day Camp or BrooksSummerDayCamp@PiedmontYMCA.org. Your signature below indicates that you have received a copy of the YMCA Summer Day Camp Program Parent Handbook.

- I understand that YMCA staff and volunteers are not allowed to care for or transport children at any time outside of the YMCA program.
- I understand that I am not to leave my child at the Summer Day Camp Program or program site unless a Program staff or volunteer is there to receive and supervise my child.
- I understand that my child will not be allowed to leave the program on his/her own
 or with an unauthorized person. Any person authorized to pick-up my child must
 either be listed with the YMCA or other arrangements must be made by calling the
 Program Director.
- I understand that should a person arrive to pick up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff will be required to contact the police.
- I understand that the YMCA is mandated, by state law, to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
- I understand that I am responsible for the \$50.00 non-refundable Annual Registration Fee and weekly Summer Camp payments. Weekly payments will be drafted by the Summer Day Camp Program on Wednesday's prior to session attending. There will be no refunds if my child does not attend. There will be a \$35 fee for all returned checks or charges. A two-week notice is required for any child that is voluntarily withdrawn from the program.
- I understand that there will be a charge of \$1.00 for every minute that my child remains in care waiting to be picked up after the end of the program. If I or another authorized person has not been contacted within 30 after the end of the program, Social Services and/or the Police Department will be notified.
- I understand that my child's participation in this program is a privilege that can be revoked if my child fails to exhibit proper respect for program staff or volunteers.
- I understand that a lunch, two snacks and water bottle are to be brought to camp each day. All items must be labeled with first/last name and date per licensing standards.

PROGRAM PHILOSOPHY

We believe that the summertime is a valuable opportunity for children to engage in a wide range of enriching activities while developing relationships and enhancing their sense of belonging. Our program is designed to address each of these opportunities in a safe, fun, and empowering way.

PARTICIPATION

Open to rising first grade through rising fifth grade students.

HOURS

7:30am - 6:00pm

The YMCA Summer Day Camp Program operates is in operation Monday through Friday at Brooks YMCA, Crozet YMCA and Greene County.

REGISTRATION

First, parents will register online and pay the registration fee. Secondly, parents will submit required documentation either online or by dropping them off at the branch. (***You will have two weeks to submit all documentation***) Lastly, once all documents have been reviewed, a confirmation email will be sent confirming a spot.

FINANCIAL ASSISTANCE

We offer a financial assistance to families. You must allow five days for processing.

ENROLLMENT

Children are admitted to the YMCA Summer Day Camp on a first come, first served basis. Registration is available on our website at www.piedmontymca.org.

PAYMENTS

Payment will be drafted or charged each Wednesday prior to scheduled services. If a payment is declined the payment plus \$35 fee must be paid prior to the child's attendance the following week. Fees are not reduced for days of illness, early pick up, suspension, or absences due to participation in other activities. Parents are responsible for tuition fees whether a child attends the program or not.

WITHDRAWAL

A two-week written notice is required to terminate enrollment. Parents are required to pay for all weeks regardless of the child's attendance, if no written notice is received.

DISCIPLINE AND DISMISSAL

Children are entitled to a pleasant and harmonious environment at the YMCA Summer Day Camp Program. We cannot serve children who display chronically disruptive behavior. Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to such behavior that requires constant attention from the staff, inflicts physical or emotional harm on other children, is abusive of the staff, and/or shows a disregard of the rules. If a child cannot adjust to meet the program expectations, the child may be discharged.

If inappropriate behavior occurs, staff will communicate with children about their actions and consequences; divert their behavior; separate children from each other,

and/or separate children from specific activities.

Our staff will not use corporal punishment; will not isolate children out of sight or sound of the group; and will not deprive any child of food, water or bathroom privileges as a part of punishment. Reasonable efforts will be made to assist children in adjusting to our program. At no time during our programs are parents allowed to discipline children other than their own. If a situation arises concerning another child, please speak to a staff person and not the child.

LATE PICK UP

Parents are expected to pick up their children before closing time 6:00 p.m. There will be a late pick-up charge of \$1.00 per minute for every minute after 6:00 p.m. until the child is picked up. The charge will be drafted from your designated account on the Wednesday following the late pick up.

Children of parents who are chronically late may be terminated from our program.

NON-PICK UP

If a child has not been picked up by 6:00 p.m. the staff will attempt to call the parent(s). If parents cannot be reached, our staff will call the two emergency numbers on file. If at 6:30 p.m., the child is still at the site and parents or emergency contacts cannot be reached, the local police or Department of Social Service will be contacted.

PICKUP AND DROP

Parents will drop off the child and pick up the child at a designated location with a Y staff. You must provide a CODEWORD (which was created at registration) when picking up your child.

PARENT VISITATION

Custodial parents are welcome to visit the YMCA Summer Day Camp with prior arrangements. Upon arrival they must check in with the program Site Supervisor. For liability and supervision reasons, it is not possible for non-enrolled children visiting the program to take part in activities.

PROGRAM STAFF

The YMCA Summer Day Camp staff are supervised by the Site Supervisor and Program Director.

REPORTING OBLIGATION

As a licensed child care provider, we are required by law to report to Child Protective Services all suspected child abuse or neglect (VA Code 63.2-1509).

MEDICAL CONDITIONS

If a child has a temperature of 101 degrees or above, recurring vomiting or diarrhea, or has been diagnosed with a communicable disease, the child may not attend the program. If a child exhibits these conditions once admitted to the program, the parent will be notified to pick up the child immediately. If the parents cannot be reached, the emergency numbers will be called. The sick child will be assigned to a designated rest area while waiting for his or her parent to arrive.

If a child in our program has contracted a communicable disease, we are required to notify other parents in the program within 24 hours, but will keep the child's identity

confidential. If your child has a known medical condition for which special care and/or emergency treatment is required and/or possible, a written and signed Action Plan from your child's physician is required.

HAND WASHING AND TOLIETING

Children are required to wash with soap and running water after toileting and before and after meals.

LUNCH AND SNACK

The parent is required to provide lunch, two snacks daily and water daily. Please do not put food in glass or bottles. All food must be labelled with first and last name.

SUNSCREEN AND INSECT REPELLENT

Sunscreen and insect repellent shall be applied only with written parent authorization which notes any adverse reactions. Sunscreen and insect repellent must be in the original container and labeled with the child's name. Per licensing regulations, sunscreen application must be done by staff for children under the age of nine years. Children age nine years and older may apply their own sunscreen with staff supervision. We ask that parents apply sunscreen prior to drop off. Sunscreen shall be inaccessible to children under five years of age. Insect repellent shall be inaccessible to all children in care. For sunscreen, a record shall be kept that includes the child's name, date of use, frequency of application and any adverse reactions; manufacturer's instructions for age, duration, and dosage shall be followed.

TRANSPORTATION

Staff is not allowed to transport any child in their personal vehicle.

FIELD TRIP

On field trip days, the students will be transported by the school system buses. Students need to be dropped off by 8:30am in order to attend the field trip. Students will be back on campus by dismissal (4:30). If you pick up your child during a field trip, they may not return back to the camp.

SAFETY PROCEDURE

The procedure to identify where children are at all times:

- 1. Frequent counts, every 15 minutes.
- 2. Monitor bathroom use.
- 3. Designate groups of children to specific staff.

The procedure to ensure that all children return to the site after a field trip:

- 1. Children are accounted for before the group leaves, on the bus, and upon arrival.
- 2. Each staff will be responsible for his/her group.
- 3. Close communication will be kept between all staff.

The procedure for the search of a missing child:

- 1. The surrounding area will be searched.
- 2. The notification of emergency services. (911)
- 3. The notification of the Child Care Director.
- 4. Our office contacts the parents.

The playground safety plan for all Y Summer Camp locations:

- 1. Our staff remains on the playground area near each group of children.
- 2. If an injury occurs, the nearest staff attends to the child.
- 3. If needed, emergency services will be notified by the staff.
- 4. The YMCA Child Care Director contacts the parents.
- 5. Our staff will accompany the child to the hospital.

MEDICAL/GENERAL EMERGENCY

Minor bumps and scratches are inevitable, but we make every effort to keep the children safe through supervision and childproofing. Minor injuries will receive appropriate first aid. In the event of an emergency injury or illness that requires immediate medical attention, we will call 911, provide first aid and/or CPR, and then contact parents or guardians. Responding emergency medical personnel will make determinations as to whether the child should be transported to the nearest hospital.

EMERGENCY SHELTERS

Each location has designated emergency shelters in place.

ACTIVE INDOOR/OUTDOOR PLAY

We designate periods of active games and play in our program. Therefore, for safety reasons, wearing closed toes shoes is required. If a child is not wearing closed-toe shoes, he or she will not be permitted to participate in active play. During playground time, staff will monitor playground equipment and that all grounds are free of debris and mulch is at adequate level per licensing regulations. Materials that will be used include: playground balls, board games, school supplies (paper, pencil, crayons, etc), STEM supplies and other school related materials and equipment.

MEDICATION

In order for the program to administer medication to a child, the parent must compete the approved medication authorization form. Authorization for short-term medication administration must be renewed every ten (10) working days or will expire. Program staff will dispose of medication that is not picked up by the parent within 14 days after authorization expires. Long-term medication administration is allowed only with written authorization from the child's physician and parent.

The medication must be in the original container, and be labeled with the child's name, name of the medication, dosage amount, and the times to be given. All medication shall be kept in a locked container, out of the reach of children, unless we receive specific written instructions from a physician to do otherwise. To avoid giving children outdated medication, the staff will document expiration dates and contact parents when a prescription is expired and dispose of medication not picked up by parents. Medication will be given by staff trained as MAT staff.

PROCEDURE TO FOLLOW IN CASE OF A DISASTER (NATURAL OR MAN-MADE)

In the event of a fire, thunderstorm, severe winter weather, tornado, earthquake, flood, bomb threat, terrorist attack, or any other natural or man-made disaster, staff and the Child Care Director will keep each other informed. The program staff will contact each parent of the child (ren) at our program, and inform them of any location changes or pick-up instructions. The Site Supervisor and staff will evaluate the environment for

safety, and determine if the children need to move to a safer location. The staff will gather the attendance record, emergency and health supplies and each child's registration file to be taken with them. The staff will complete the evacuation checklist prior to leaving the site. The site has an emergency evacuation plan and shelter available. If a disaster or emergency occurs, our Site Supervisor will contact parents and/or emergency personnel as needed. If a disaster or emergency occurs before the program begins or after the program ends, please listen to local television and radio stations for information regarding the program.

SUPERVISION

When children arrive after scheduled classes or activities, including field trips, staff shall sign them into the program, supervise them following proper ratio requirements, and attempt to or integrate them into the class or activity.

Children arriving from another program/agency shall be signed in by program staff. If a child is expected but does not arrive, staff shall contact the program/agency directly to ascertain the whereabouts of the child. Additionally, parents will be contacted. Staff shall employ active supervision to be aware of all children in their assigned grouping of children, regularly counting children and monitoring their actions.
