

October 2020 letter

Fall is here and our new curriculum is going full speed ahead. We have been very busy in our classrooms! Take time to check out the art work in the hallways located near the check-in table.

We want to thank everyone for being involved in our YMCA Welcome Week. The teachers and children enjoyed celebrating our community and all of the individuals who are part of it!

We will be celebrating Halloween in each classroom on October 30. Please make sure your child wears their favorite costume. However, it is important to remember that is has to be appropriate for small children. We will also be having a Fall Harvest Day for our students on October 16th. The children will be able to take home a pumpkin.

CLASSROOM NEWS

Infant 1

The month of October we will focus on fall activities and crafts. We will also be working on developmental milestones. As weather permits we will take stroller rides everyday, so please bring in a coat or sweater for the cooler days. They will be Trick or Treating around the building on October 30th, so if you want to bring in a costume please feel free to do so!

Infant 2

Ameila turns one this month! Fall is finally here so please make sure we have extra clothes that are weather appropriate. Look forward to a pumpkin patch and trick or treating!

Toddler

This month we will be exploring our senses. We have some great activities to do and some taste testing as well. As always we continue to narrate and help the children to learn new words. We will also be incorporating colors, shapes, and numbers each week.

Two's

This month we will be learning 4 new things; the color purple, letter B, the number two and the shape circle. We also will be exploring our 5 sense. The week of October 12-16 we would like for you to bring in a little pumpkin so that we can paint them. The pumpkins will be sent home right before Halloween.

Three's

We have so many fun activities planned for October! We will be exploring our sense of taste by sampling different flavors and working together to make lemonade! We will also be working with different textures to make granola bars, collages, and participating in measurement and categorization activities. They will be working in teams to enhance their ability to work with others while focusing on building their fine motor skills. **We will be having a classroom Halloween part on Friday, October 30th.**

Pre K

Fall is here! Yay!! This month we will be working on letter sounds and number quantity. On October 28th, we will be having a Halloween PARTY and you can wear your pajamas. We will also have a list on the table at the front to sign up to bring STORE BROUGHT ITEMS!! We will also be watching a PG Halloween movie! Since the weather is changing so quickly please make sure your child is dressed appropriately for the weather as we still go outside twice a day!
